- The #2 Gray Bull for registered progeny in the United States in 2017, Bogota is one of our most popular and talked about sires! He is drawing high praise for his thick, attractive calves.
- Bogota notable for his muscle, volume and bone. Feet and legs are a strong point. Use to add milking ability to your replacements females.
- Excellent semen producer with high-fertility SexedULTRA 4M™ semen available. Inquire about commercial pricing options.
