- Summitt is a unique sire that combines two of the most prolific and well-known cows in the Angus breed, SAV Blackcap May 4136 and Coleman Donna 714!

- He was the high selling bull in the ZWT Ranch sale and the selection of Coleman Angus to incorporate SAV Renown with the great Donna lineage. Summitt is dense bodied and masculine headed with an expansive rib cage and added muscle.

- Here is the opportunity to use a true cow maker that aligns a proven maternal pedigree with incredible phenotype.
